

Mangosuthu University of Technology Open Day

24-26 April

Fifteen schools from the Umlazi District had an opportunity to attend the Mangosuthu University of Technology Open Day, held at the Seme Hall on the 24-25th May 2018. Exhibitors were in high spirits ready to counsel and guide grade 12 learners through the different careers and industries, among exhibitors were different departments from the university and various divisions within the Ethekewini Municipality.

Different exhibitors had the opportunity to do presentations on their Departments; there were also motivational speakers to motivate the learners.

Encouraging the youth to take up careers in

Science, Technology and Engineering, was the order of the day due to the scarce skills in South Africa in these fields, as it is important to bridge the gap. The development of future engineers and scientists through such initiatives has proven to be a success.

Mangosuthu Open Day was a success; all stakeholders

Involved played a vital role in making this event a success. It was of great benefit to Grade 12 learners whom face the challenge of choosing a field of study; the exhibition was a step in the right direction in influencing them to make informed decisions pertaining to their careers.
