

## NEW ROOF STRUCTURE FOR BEREA HERB SELLERS MARKET

Address: Berea Herb Sellers' Market Bridge,  
Warwick  
Ward: 28  
Client: Business Support Unit  
Contract Period: To be confirmed  
Contract Value: To be confirmed

The Berea Herb Seller's Market in Warwick was identified as requiring an upgrade by the Business Support Unit (BSU). The market brings in a high annual revenue and is considered a good investment for the City. In broad terms, it is intended that this project deliver additional shelter to the existing exposed informal traders along the bridge of the Herb Market in Warwick Junction.

The following scope of work is included in this contract:

- Cover/shelter for the existing traders who are trading in the middle of the bridge and currently have no shelter.
- Adequate ventilation and air circulation due to the nature of the operations at the Herb Market traders
- Communal grinding areas
- Upgrade existing ablution facilities
- Upgrade / repair existing roof and bridge structure
