

MPUMALANGA INFORMAL TRADING AREA UPGRADE

Address: 101 Meyiwa Main Road

Ward: 06

Client: Economic Development Unit

Contract Period: Still to be Determined

Contract Value: R25,3 million

As part of the Mpumalanga LAP development framework this secondary node has been identified for an upgrade. Phase 1 consisted of the installation of new sidewalks, traffic circles and bus lay byes along the perimeter of the site.

Phase 2 will be the upgrade of the Informal Traders Shelters and facilities. The proposal includes:

- New container and table trader facilities with roof structures
- Redesign and resurfacing of pavements
- New storage and refuse facilities
- New ablution facilities
- New parking area

Workstage 3 was completed in 2014 but no funding was allocated to continue as this is a secondary node. ECO DEV have procured funding for tender and construction in upcoming financial years.
