

## CALLS FOR PROPOSALS

### **BUSINESS SUPPORT PROGRAMME: CATO MANOR STREET VENDORS**

The eThekwini Municipality, over the past years, developed and adopted a policy on the Informal Economy within the Municipal Area. The development of the Informal Economy requires, amongst other things, that small enterprises be supported to ensure their sustained development and growth. This requirement led to the Cato Manor Area Based Management and Development Programme (CMABMD) developing a Business Support Programme, which focuses on the various aspects of business support including skills, access to finance and

access to information and opportunities. As part of this programme, the Cato Manor ABM invites organisations/institutions/consultants to submit proposals on how to ensure growth in the income generating capacity and sustainability of Street Vendors in Cato Manor. Tender documents are obtainable from the following address:  
Cato Manor ABM  
Suite 102 Intuthuko Junction  
750 Francios Road, Cato Manor Durban. The closing date for this tender is Friday, 31st August 2007 at 16h00. Queries can be directed to Mr Nkosinathi Zondi on 031 261 6640

## PUBLIC NOTICE

### **APPLICATION FOR STREET COLLECTIONS: 2008**

The eThekwini Municipality has directed that permission to conduct street collections within its area shall be confined to registered welfare organizations as defined by the National Welfare Act No.100 of 1978, or to charitable organizations exempted under the Act, which are not members of the Ubuntu Community Chest. Any organization which qualifies in terms of the above and which desires to make application for permission to conduct a street collection during 2008 should submit its application, accompanied by evidence of registration under the Non-Profit Organisations

Act, a copy of its Constitution and latest financial statements to the HEAD: REGIONAL CENTRES, P O BOX 49, PINETOWN, 3600, no later than FRIDAY, 31ST AUGUST 2007. The application should indicate whether a Wednesday or Saturday is preferred for the proposed collection. It must be noted, however, that whilst every effort will be made to accommodate the preferred day or date, this cannot be guaranteed as applications are treated on a first-come-first-served basis.

*Dr M.O. Sutcliffe*  
*City Manager*

## EXPRESSION OF INTEREST

### **INFRASTRUCTURAL ASSET MANAGEMENT SOFTWARE**

In line with eThekwini Municipality's Integrated Asset Management plans. The eThekwini Municipality would like submissions from software vendors who have experience in and have an Infrastructural Asset Management System (Fixed Assets). To assist with this project the Municipality would like submissions from a specialist service provider in the field of Software Implementation and Infrastructural Asset Management and invites interested service providers who meet these criteria to submit written proposals from their Infrastructural Asset Management System.

The software must have all the following integrated attributes:

1. Asset register
2. Risk assessment
3. Maintenance management

4. Spatial viewer
5. Predictive modelling
6. Lifecycle costing
7. Treatment options and cost
8. Works planning
9. Contract management
10. Resource management
11. Inventory control
12. Interface with ERP and other management tools

All proposed submissions will have to demonstrate compliance with the above requirements. Microsoft Access and Excel based applications will not be considered. Sealed responses, which shall be signed by or on behalf of the respondent, and addressed to The Head: Supply Chain Management "Request for Proposals: Integrated Asset Management Software" to be placed in the Tender Box, located on the Ground Floor, Rennie House, 41 Margaret Mncadi Avenue (formerly Victoria Embankment), Durban, on or before 11:00 on 2007-08-24. Enquiries: Mr Lawrence Palmer tel. 311 6384.
