DESIGNATION NATIONAL OPERATIONS DIRECTOR

DATE 9 MARCH 2012

It is an accepted norm in the industry that the services of Officers engaged in the function of VIP Protection Officers to be paid as a higher rate than Officers engaged in escorting and guarding functions. This arises from the fact that such officers are trained in different competencies, are required to have additional skills, abilities and training. In light of this, an additional category of "A" Grade Security Officer (VIP) is catered for in the pricing structure, as reflected above.

It is also recorded that a company wishing to tender for ONLY VIP Protection Schedule 49 will not be required to complete Annexure H1 and Annexure H2.

However, companies who wish to tender for Schedule 49 (VIP Protection), completion in full of this Supplementary Annexure H4 is compulsory, as indicated in Clause 1.8 as read with Clause 4.26 of the Technical Specifications, to Enquiry/Tender 1W-7620 document.

**ADDENDUM No. 1 TO ENQUIRY/TENDER 1W-7620 DOCUMENT**

**Clause 1.9 : ALARM MONITORING AND ARMED RESPONSE**

The above clause, as read with Annexure H5 and Clause 4.17 allows for the above function to be split into two components of i) Alarm Monitoring and ii) Armed Response. This is considered impractical and thus it is recorded that :

- i) There will be no provision for tendering for Alarm Response services in isolation.
- ii) Clause 1.9.2 is amended by the deletion of the word "/or" to read as follows:  
1.9.2. There will be only one standard selling price rate applied for alarm monitoring and armed response services, regardless of which geographic area or schedule.
- iii) Clause 1.9.4 Is deleted

A company wishing to tender for ALARM MONITORING AND ARMED RESPONSE will be excluded from the compulsory requirement of tendering for Annexure H1 and Annexure H2.

However for companies who wish to tender for the provision of the Alarm Monitoring and Armed Response, the completion of Annexure H5 is compulsory, as outlined in Clause 1.9, as read with Clause 4.17 of the Technical Specifications, to Enquiry/Tender 1W-7620 document.
