A NEW WAVE OF LEADERS

## **The Bremen-Durban Ocean Champions programme**

The **Bremen-Durban Ocean Champions** programme offers 15 youth an opportunity to broaden their horizons and embark on a 2-year journey to learn more about the ocean and inspire others by creating awareness for the marine environment. The programme is part of the Climate Change Partnership between the sister cities Bremen in Germany and Durban and involves:

- **Training** on the ocean, the marine environment, project management, leadership skills and entrepreneurship as well as public speaking and communication skills
- Development and implementation of **two community projects**
- **Round Table discussions** with decision makers from politics, business and civil society
- Knowledge exchange and **networking opportunities** with key players in the marine environment

### **REQUIREMENTS FOR THE PROGRAMME**

Essential Requirements:

- Matric/Grade 12 with Life and/or Physical Sciences
- Must be between ages of 18 – 25
- Must be eThekweni Residents (proof of residence required)
